To whom it may concern,

It gives me great pleasure to recommend Doorcare South West Ltd to your firm. I have worked with Doorcare South West Ltd since October 2009.

During this time, I have commissioned Doorcare South West Ltd for numerous projects. They have always completed the works on time, to budget and to a high standard with minimal disruption to the staff. Doorcare South West Ltd always accommodates the specific requirements of a clinical environment such as out of hours working.

Doorcare South West Ltd has provided us with a full access control system covering several sites, CCTV coverage and security grilles. They have provided staff training and are my choice provider for the comprehensive maintenance cover for the systems.

Yours sincerely

ANNIE TYRIE
Manager
